fontawesome.com

The screenshot shows the Font Awesome website homepage. At the top, there's a dark header with a search bar, navigation links for Start, Icons, Docs, Support, Plans, and Blog, and a Sign In link. A prominent banner at the top left says "Now Brewing... Font Awesome 6 Alpha!" with a "6" icon. It describes the upcoming release of more icons, styles, services, and features. To the right of the banner are buttons for "Get the Alpha!" and "Learn More". Below the banner, the main content area has a green background with a cloud icon. It features the "Font Awesome" logo and a brief description: "Get vector icons and social logos on your website with Font Awesome, the web's most popular icon set and toolkit." There are two buttons at the bottom: "Start for Free" (highlighted with a yellow border) and "Get More with Pro". A star icon is on the far right.

Enter your Email Address

The screenshot shows a landing page titled "Get Started for Free" with a subtitle "CDN powered Kits. 1 line of code. Live in under 1 minute." It features a large rocket ship icon. Below the title is a form field asking "Enter your email to create your first kit!" with a placeholder "e.g. severus@hogwarts.edu". To the right of the form is a "Send Kit Code" button. A question "Why do you need my email address?" is at the bottom of the form. At the very bottom, there are three sections: "Icons on Your Site. Fast.", "Auto-Accessibility & More", and "Level Up Your Icons", each with a small icon and a brief description.

Using Kit from the next time

A screenshot of the Font Awesome Kit creation interface. The top navigation bar includes "Search icons...", "Start", "Icons", "Docs", "Support", "Upgrade", and "Blog". A banner at the top says "Font Awesome 6's first alpha release is out now! And we're brewing more icons, styles, services, and awesome too!" with buttons for "Get the Alpha!" and "Learn More!". The main area shows a project titled "20c5629a29" with tabs for "How to Use" (selected), "Settings", and "Uploaded Icons". Step 1, "Add Your Kit's Code to a Project", shows a code block with a "Copy Kit Code!" button highlighted by a yellow border. Below it, a note says "Copy your kit's code into the <head> of each template or page in your project." The bottom right corner shows a user profile for "Nandimandalam Vinod Kumar Reddy" and a "NR" icon.
